### WONDERFUL STUFF. LIFT OUT YOUR CORNS

Apply a few drops then lift corns or calluses off with fingers—no pain.

No humbug! Any corn, whether hard, soft or between the toes, will loosen right up and lift out, without a particle of pain or soreness.

This drug is called frezone and is a compound of ether discovered by a Cincinnati man.

Ask at any drug store for a small bottle of frezone, which will cost

but a trifle, but is sufficient to rid one's feet of every corn or callus.

Put a few drops directly upon any tender, aching corn, or callus. Instantly the soreness disappears and shortly the corn or callus will loosen and can be lifted out with the fingers.

This drug frezone, doesn't eat out the corns or calluses, but shrivels them without even irritating the surrounding skin.

Just think! No pain at all; no soreness or smarting when applying it or afterwards. If your druggist don't have frezone have him order it for you.

Grimes and which said deed is duly recorded in the deed records of Scurry county, Texas; Vol. 24; Page 170, reference to which is hereby made for further description, and plaintiffs allege that defendants, or some of them have said original deed and notes in their possession; and are hereby notified to produce same on the trial of this cause, or secondary evidence of their contents will be offered by plaintiffs.

Notes Nos. 1 and 2 are paid; that about April 8, 1910: said W. L. Cates, for a consideration of \$1300 paid him by M. V. Murphy, \$750 each; and the assumption by Murphy of Notes Nos. 3, 4 and 5; for the sum of \$46.60 each, in said series; and the execution of another series of vendors lien notes of even date with deed, one for \$200 due February 1; 1911; and three for \$100 each; due in 2; 3 and 4 years, bearing 10 per cent interest from date, and retaining a second lien on the above described lands; to secure their payment, as shown by deed recorded in Vol. 29; page 384, deed records of Scurry county, Texas; and notice is hereby given to defendants to produce same on trial, or secondary evidence will be offered. Johnson, and has failed to do so in compliance with the terms thereof.

That notes Nos. 2, 4 and 5 of \$16.60 each; in the first series, Note No. 1; for \$200 of the last series, with all principal and interest then due; were incorporated into the first note No. 1 of the third series of notes made by G. That note No. 1 is the property of W. R. Johnson; and Nos. 2 and 3 of the last series above; is the property of M. V. Murphy; That plaintiff, W. R. Johnson; transferred Note No. 1 for \$249.28 to plaintiff O. L. Wilkinson Lumber Company; and became liable on his endorsement thereon; and that M. V. Murphy endorsed said note to W. R. Johnson; and became, and is liable to said plaintiff W. R. Johnson; by reason of his indorsement; That all of said notes; except notes 2; 4 and 5 of the second series above have been placed in the hands of Cullen C. Higgins; an attorney at law; for collection; and plaintiffs

have agreed to pay the 10 per cent attorneys fees provided in said notes for collection fees; which is a reasonable and necessary charge therefor. That defendant D. D. Daniels is claiming some interest in the land and premises, the nature and extent of which is to the plaintiffs unknown. All the plaintiffs pray for foreclosure of vendors lien; principal; interest, attorneys fees and costs of suit; and all other relief; both general and special; to which plaintiffs may be entitled; for all of which in duty bound they will over pray.

Herein fail not; but have you before said court; at its aforesaid next regular term this writ; with your return thereon; showing how you have executed the same.
